

Colour in our  
**HONEY BEE**  
and then pay him a  
visit at The Brewery!

**10 MURALS | 1 FREE APP | HOURS OF FUN**

The Brewery Shopping Centre has teamed up with Things Made Public to launch 'Take a Walk on the Wild Side,' an augmented reality trail that brings art and nature to life!

We've installed 10 animal murals throughout the centre and it's your job to find them all!

Once you've downloaded the FREE app, simply follow the on screen instructions to bring each of the murals to life, along with fun facts and activities for the family to enjoy.

### **IT'S AS SIMPLE AS 1, 2, 3**

- 1. Download our free mobile app**
- 2. Find the 10 animal murals hidden around The Brewery**
- 3. Follow app instructions and watch as the magic happens**

From the mighty peregrine falcon through to the humble stag beetle, we've only included animals that are local to Havering within the Take a Walk on the Wild Side trail.

Once you've spotted all 10 murals, why not explore our local nature parks and see what else you can find!?
